

## **Cool Update To 'Generic RPG Idle' On Early Access via STEAM™ Adds New Audiovisual Content & Trailer**

*Japanese Developer Offers Turn-Based Combat Stripped To The Core Set In Brazil!*

Shinagawa, Japan, January 31<sup>th</sup> 2023: Indie game developer and publisher **Perennial Hearts** is proud and excited to announce an audiovisual update (and new trailer) to **Generic RPG Idle**, a fun game where loot matters and where you optimize your equipment, defeat mighty foes, perform dark rituals and enjoy a medieval tale of revenge in a twisted version of Brazil. Available exclusively on *Early Access* via STEAM™, the new *"Sound Of Art"* update adds richly detailed animations, atmospheric sound effects and compelling new soundtrack to an already fun gameplay experience.

**Generic RPG Idle** offers turn-based combat stripped to the core; gather loot, optimize your equipment, defeat mighty foes, and enjoy the story as you progress. Elite enemies challenge how optimized your build is while random-free combat ensures attacks never miss. The *Early Access* build offers two chapters of the story in addition to the open-ended adventure that you can play for as long as you want. Deadly combat awaits as you explore, craft, and learn various skills while fighting; always seek out better loot, help the local villagers, embed flowers with powerful magic, and perform rituals for the Lunar Gods!

**Generic RPG Idle** is available via STEAM™
