William and Sly is a continuation of the popular Flash-based games from the golden age of browser-gaming. In this beautifully rendered 3D adventure, you race through lush valleys, soaring mountains, peaceful coasts, and other wild landscapes as a fox in search of mushrooms. Play at your own pace and enjoy more than ten hours of fun gameplay and exploration. The original games in the series are even available as a *FREE* download in the *William and Sly: Classic Collection* available from here:

https://store.steampowered.com/app/2684790/William_and_Sly_Classic_Collection/

William and Sly is a casual exploration game suitable to players of all ages and experience levels. Fans of the original series will embrace the new style of gameplay and introductory players will enjoy meeting the cunning fox on his daring adventures.
