Morels: The Hunt 2 offers a relaxing adventure game about mushroom hunting and wildlife photography. Your task is to find as many morel mushrooms as you can while capturing photos of wildlife that you encounter, all while enjoying the sounds and experiences of nature surrounding you. Explore locations all around the world. You will get 100 days per season as you unlock locations along your journey and discover hunting secrets, along with a few surprises! There are seven unique maps to visit, each offering a distinct terrain and an adventure of its own. You earn points and level up your Mushroom Hunter Level. You can even discover collectables such as a crystal skull and even robot parts! As you play, you can learn tips and tricks inside your Hunter's Manual to help you throughout the season, and you can unlock new pages by moving up in hunter levels! You will also experience realistic weather, forecasted before each level that can change every day and you may even hunt at night if you're brave enough!

Morels: The Hunt 2 not only features a ton of new animals, insects, and objects. You earn points from finding mushrooms and photographing wildlife to buy valuable items in the shop like bug spray to prevent ticks, first aid kits, raincoats to help preserve energy on rainy days, a headlamp
