

## **First-Person Survival Horror-Game 'Blood Hunting' On PC Offers You The Sweet Taste Of Revenge And Redemption**

*Uncover The Truth About The Destiny Of Your Family!*

San Francisco, CA, January 2<sup>nd</sup> 2024: Indie game developer and publisher *Holcomb Entertainment* is inviting you to experience the terror of your life by downloading and trying out their debut game **Blood Hunting**, a thrilling first-person survival horror adventure promising to shock and surprise you while you solve difficult puzzles and seek the sweet taste of revenge. **Blood Hunting** is available today on PC via STEAM™ and via the Epic® Game Store, if you are brave and daring enough to try it out.

Game Trailer:

<https://www.youtube.com/watch?v=zPy7xg4tU1U>

**Blood Hunting** features you as the protagonist player Chase Jones, a common man who lost his family when he was young. It has been 15 years since your parents were gruesomely murdered and their blood taken from their bodies. No one knows what happened, leaving more questions than answers. Your task and challenge are to put the pieces together to understand what happened to your relatives. As you uncover the truth you become aware of what you must do. Unfortunately, those responsible have begun to hunt you so they can put an end to this investigation. An unknown stranger helps by sending text messages to your phone. You must survive long enough to discover the truth and finally make right what was wrong from the start. Do you have the skills and courage to uncover the truth?

**Blood Hunting** is a true survival horror experience that sets the stage on how dangerous revenge can be... if you can survive it.

*A version of the game for Microsoft® XBOX® and Sony® PlayStation™ will be announced soon!*
