Margoq's Lair is packed with exciting features such as procedurally generated dungeons, player profiles, items to collect and what seems like an endless horde of enemies to fight and deadly traps to avoid and navigate. With its compelling gameplay, you are shown no mercy! Die once, and you're dead for good, and must restart the adventure. To succeed on your quest, you must engage in fierce combat, select between randomly generated spells, combine your abilities to make devastating attacks and find mythical items on your journey. Items are available throughout in chests you encounter and inside breakable interior. Combining abilities into powerful attacks is a critical skill to master; for example, the fireball and shield turns into a fire shield, while the fireball and stomp turns into the fire nova.

Margoq's Lair is a must-have in your game collection to fans of the genre and introductory players looking for a refreshing new challenge. With its gorgeous pixel-art graphics, 2D top-down design, procedurally generated dungeons and tons of spells and abilities to master, be sure you Wishlist the game today.
