## Master Precision Shooting In Highly Realistic 'Archery Pro' Targeting Oculus® Quest Exclusively

*Play Solo Or Challenge Your Friends In Online PVP Archery Matches!*

Melbourne, Australia, February 26<sup>th</sup> 2024: Indie game developer and acclaimed publisher *SavySoda* whose previous credentials include the massively popular *Pixel Starships* franchise is proud to announce the upcoming release of **Archery Pro** coming exclusively to Oculus® Quest via Early Access starting February 28<sup>th</sup> 2024. **Archery Pro** offers the most realistic archery simulation game ever crafted and designed for VR bringing the precision, discipline, and challenge of Olympic-style archery right into your living space.

Game Trailer:

<https://youtu.be/t1PMFX-uvX8>

**Archery Pro** challenges you and your friends to fun and entertaining matches: mimicking the exact physics and nuances of real-life archery, you'll feel the weight of the bow, the tension of the draw, and the thrill of releasing the arrow. Your Oculus controllers become more than just tools, they become an extension of the archer in you. Suitable to players of all ages and experience levels, the game includes a Single-Player campaign as well as Real-Time Multiplayer PVP. The game can be played casually or competitively. Challenge the world's best archers or just your friends. Full leaderboard and tournaments are available as well as live audio chat.

**Archery Pro** caters to all audiences, whether you're an aspiring Olympian, a seasoned archer, or a newcomer curious about the art of the bow and arrow, **Archery Pro** delivers unparalleled realism. Feel the rush, the focus, and the passion of an Olympic athlete. Step onto the virtual range today and aim for gold!
