'Death or Glory' On STEAM™ Offers The Ultimate Card Dueling Experience Blending Fighting Game Mechanics And Deckbuilding *Embark On A Roguelike Adventure To Fulfill Your Destiny!*

Hong Kong, China, November 1st 2023: Indie game developer and publisher *Distilled Gaming Company* is proud to announce the worldwide release of their debut game **Death or Glory**, a unique and comprehensive card dueling experience that blends fighting game mechanics with extensive and content-rich deckbuilding! Prepare yourself to become the champion in a world where magic and bullets collide; where gods use their might to fight mechs and werewolves and build rage to tear apart warriors. Every card is an action; every action can have a reaction.

Death or Glory released to critical acclaim and has already become a favorite among its many players. The game offers a unique turn-based system, where almost every attack can be reacted to, whether dodged or blocked. Each card uses a speed system, much like the frames of a fighting game, so a heavy attack will still hit over a small block. Managing your resources, including stamina, champion power, and cards in hand, is vital in dominating the arena. In-game purchases are available that unlock additional champions and different visual cosmetics. All game modes will be free-to-play and you can progress at your own pace and preferences.

Death or Glory includes a plethora of champions that make up five different classes, all with a unique play style and resource system. Piloting a mech requires you to manage the system's heat to play devastating combos. Fighting as a feral werewolf means you'll need to harness rage to slash away at your opponent's health. Each champion and class hold its own secrets to dueling success. Learn to master the classes in the Arena, where you face off in increasingly difficult towers, unlocking new cards and the secrets to their success. You can also face off against other champions and climb the ranks of glory in tense dueling battles. These arena battles sit closer to an original CCG style. Regardless of what mode players choose to champion, the experience will consistently be earned and unlock content for both PvE and PvP.

Death or Glory features a full roguelike campaign. Venture through the challenging lands, earn powerful cards, discover new treasures, and upgrade your deck to unlock its full potential. Every path that is taken,

GAME PROMOTER

vampire you slay, spirit blessed, and shop visited is important on your quest to overcome the world boss. Leading a champion to glory in the roguelike adventure mode will reward you with both in-game currency and champion XP.
